Beverages Falling under a Producer Deposit Return System

The list below encompasses the beverage products which fall under the First Schedule of Beverage Containers Recycling Regulations, 2020 (S.L 549.134), that form part of a Producer Deposit Return System for their collection, and their respective deposit amounts.

The products hereunder are packaged in refillable beverage containers and are returned to the respective producer for reuse following consumption. The Scheme Regulations stipulate that these are exempt from the Beverage Container Refund Scheme, following the granting of exemption by the Agency.
